

**INFORMATION ON POWER SUPPLY PROCUREMENT  
of Camarines Norte Electric Cooperative, Inc. (CANORECO) for the  
Captive Market for its Renewable Portfolio Standards (RPS) Requirements**

The Camarines Norte Electric Cooperative, Inc. (CANORECO) has a power supply requirement as reflected in its approved and posted 2025 Power Supply Procurement Plan (PSPP).

The procurement is in compliance with the Energy Regulatory Commission (ERC) Resolution No. 07, Series of 2026, Department of Energy (DOE) Department Circular No. DC2025-10-0022 and Department Circular No. DC2026-02-0008.

|                           |                                                                                                                        |
|---------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Brief Description</b>  | Procurement of Power Supply Agreement (PSA) for the 8.66 MW <sub>ac</sub> RPS Requirements of Mainland Camarines Norte |
| <b>Requirement</b>        | 8.66 MW <sub>ac</sub>                                                                                                  |
| <b>Eligibility</b>        | The Power Plant shall have a Net Dependable Generation Capacity equal to 8.66 MW <sub>ac</sub> .                       |
| <b>Plant Type</b>         | Technology-neutral (embedded) / open technology (RPS Eligible)                                                         |
| <b>Cooperation Period</b> | 26 December 2026 to 25 December 2042                                                                                   |

Interested Generation Companies capable of providing the required power supply may submit their proposals directly to [canoreco\\_tpbac@yahoo.com](mailto:canoreco_tpbac@yahoo.com), not later than October 27, 2026.
